"McMillan lived up to his advance notices. Without doubt he is the greatest quarter back playing today, and this takes in Boynton, of Williams. The wonderful "Bo" was a great field general and a great man at carrying the ball. However, he did not try to do everything himself, as is the case with other stars. His running through a broken field was marvelous and he was a hard man to tackle.

Princeton, Syracuse, Pittsburgh, Harvard and Penn State Seem to Have Inside Track. Hilltoppers Among Unbeaten Teams.

By JACK NYE.

With the passing of the half-way post in the hectic struggle for the Eastern football championship, five elevens are forging to the front and appear to be distancing the field in the fight for that uncertain honor. Past performances indicate that Harvard. Pittsburgh. Princeton, Syracuse and Penn State are the most powerful machines in their section, and it is probable that several of them will complete their schedules unbeaten. In that case there will be a merry war of words and dope by their various supporters to show why each is the best in the business. elevens are forging to the front and in the business.

in the business.

It'll be almost as fruitful as trying to decide whether "Bo" Mc-Millan is as classy a man as Flavin or Malley. It all makes mighty aror Malley. It all makes mighty good reading, but, once having ar-rived at a conclusion, how are you going to prove it? It can't be done. Georgetown Still in Race.

Georgetown Still in Race.

In addition to the five teams listed above there are a number of unbeaten teams in the East which must be given recognition until they fall. The Army and Cornell are among them. Also there is Boston College, conqueror of Yale, and our own Georgetown eleven. In regard to the last two, somebody is going to get a decided snock when they meet on November 27, and there's a large delegation of Washington parties who will risk a bone or two that it isn't the Hilltoppers. Moreover, they won't ask "What's the odds?"

Stevens, Brown, Wesleyan and W.

Stevens, Brown, Wesleyan and W Stevens, Brown, Wesleyan and W. and J. have yet to concede defeat, but it would take some tall figuring to make them a recipient for top honors.

Harvard's exhibition of power

Harvard's exhibition of power against Centre is evidence that it is going to be heard from when the post-season recapitulation begins. Considering the fact that Coach Fisher's men used only about four plays against the Southerners, it is not hard to speculate on how dangerous they will be when they open up with their full repertoire in the big games later on.

Princeton defeated Navy by the individual efforts of its backfield stars more than through teamwork and Coach Roper wasn't any too well pleased over the showing of his men. Pitt, with one of the hardest schedules of any team, had enough power to win by a touchdown from Georgia Tech, which is no weakling this season. Syracuse again proved its ability by putting Dartmouth out of the race and Penn State had its usual runaway.

It doesn't advertise and it doesn't predict. All it does is play football, and gosh, how it does play the game!

The team is that of Alabama Polythen as Auburn.

When Tech swamped Vanderbilt by a score of 44 to 8, it was regarded as some feat. But Auburn took the Commodores' number by a margin of 55 to 6 last Saturday.
